FOREWORD

This has been our school year . . . filled to overflowing with good things of life.

All of the older people never cease to remind us that these high school years are the best, and so we have chosen as our theme . . . "THE BEST YEARS OF OUR LIVES."

Dear Babbie,

Another year, another yearbook, and another time when I can't think of anything to write. We have a lot of times to remember - ah yes time to review: our mountain climbing at W.P. and all that fool and back to our eventful weekend - what a time. Well I could go on and on but I won't. Always remember our pledge about Diane - if she goes back with Wylie this summer it will be your fault and not mine. But she won't will she.

Have fun this summer and I'll send you a post card and tell you how much I'm missing everyone.

Say Hi to all those Illinois gyps for me.

DEDICATION

CHARLES COLIN

It is with much pleasure that the senior class announces that it is dedicating the 1957 Wecommi to our much loved athletic director, Mr. Charles Colin.

Admiration can come easily, but respect and love come only after many years of patience and diligence in the cause of teaching. Mr. Colin has proved his right to these attributes through his years as a teacher, coach, and now as athletic director.

We are proud to honor one whom we know as a patient, demanding teacher, and a great coach.

THANK YOU

We the editors wish to thank all the students, faculty members, and townspeople who have in any way aided in the preparation of material for the annual.

FROSH-SOPH FOOTBALL

Under the direction of Coaches Colin and Longacre, this year's frosh-soph team compiled a record of 5 wins—1 loss and 2 ties. They played good solid football and many freshmen were seen in the action. Players like Gail Reed, Dick Denson, Jerry Hunsberger, Dave Cameron, Jesse Brewer, Bob Richards, Jim Quist, Sonny Kee, and Albert Harris, led the way to their winning season. They should produce the same results on the varsity in the coming years.

Fourth row: Coach Loveless, Manager Peterson, Edwards, Baker, Burrows, Brown, Hewitt, Moss, Manager Morris, Coach Sherman.

FRESHMAN FOOTBALL

The freshman year is one of fundamentals and conditioning. Coaches Sherman and Loveless were the instructors, who have built the foundation for future varsity winners. Accepting their instructions, the boys worked hard and compiled a record of six wins and one loss. The team was big in size and large in number, which shows the interest that there is in football at Wheaton. Many of

the players, by working hard, found themselves playing on Friday night with the sophomores. This experience will be of great benefit to them next year as they become the sophomore team. There is a great deal of self-pride when a team has a winning season and the freshmen are off to a good start.

Front row, left to right: Colin, Filkin, Nelson, Smith, Griffin. Second row: Fleck, Rudolph, Gauger, Libby, Green, Coach Longacre. Third row: Manager Heslinga, Slaughter, Orth, Lampa, Manager Glasser, Manager Billsten.

VARSITY BASKETBALL

Playing a hot and cold brand of basketball, Coach Longacre's Tigers have ended their regular season with an eight wins—twelve losses record. This year's hoopsters were led by four seniors; staying in there with that old fight were Dick Nelson, Butch Colin, Dave Libby, and Ozzie Smith.

FROSH-SOPH BASKETBALL

With one of the best seasons ever turned in by a sophomore team, the "Sherman Tanks" ended their regular season the proud owners of a 17-3 record. Such names as Denson, Reed, Kline, Shiek, and Cameron are sure to be seen on future Varsity in the next two years. The teamwork and mental attitude which have carried them this far is sure to produce results in the sophomore tournament.

FRESHMAN BASKETBALL

Coach Barnes has been the teacher of fundamentals for the freshmen. With a very good record of 7-7, the "Rhineys" have shown that there are better things to come next year. By taking third place in the tournament at Elgin, they ended the season on a good note. The team is one of the tallest ever to enter the Tiger lair. With boys like Sonny Kee, Terry Locke, Jim Wright, Jeff Henry, Jim Christians, Chuck Ferguson, and Albert Harris, it seems that they can't miss.

WRESTLING

Wrestling at Wheaton has become one of the very most audience attracting sports. Much interest is shown not only by the participants, but by the student body as a whole.

The team, this year, has compiled a not too impressive record of 6-8, having lost many of their matches to much larger schools and by very narrow margins. Coaches Garner and Gibson deserve much credit for their tutelage in this individual competition sport.

The season was climaxed by the placing of three boys in the State Meet. Bill Johnstone, with a record of 12-3, and Dave Sheridan, 20-1, took first place in the sectional. Captain Dick Duncan, 23-2, not only took first in the sectional, but ended his high school career with a fourth place berth in the State finals.

FROSH-SOPH CHEERLEADERS

As We See It...

As freshmen we all aspire to be cheerleaders... To cheer our team to victory.

Some of us made it... / Some of us didn't... But we all cheer!!

Each spring adventurous high school students set out with happy hearts and gleeful smiles for Washington D.C. With faces aglow, they take a whirl-wind tour of our capitol. After several days of hustle and bustle, they head for home. The twinkling eyes at last give way to slumber. But beware of the sleepless, their smiles have turned to growls.

Once upon a time way back when we were quite small, the little boys sat on one side of the room and the little girls sat on the other. That is until in came ...the Sailor!..THEN!!!!

Dear Bobbi,

Well, here it is the end of our "Saph" year. It sure has sped by, even faster than the first year. But we sure have had the good times (even though you hate slumber parties!). And we finally got our beloved licenses, so we are really on the run with all those good (?) excuses. Only they sure come in handy.

I imagine will be having
a lot more fun together as
time goes on and I sure hope
you get what your going after.

Best of everything. Always, Mary.

Keep those nails long forever...

The ~~Therapy~~ ^{is} really kind all...

(counting our Dee into billions)

the daily charge + some extra place

and riding around looking up at

their own getting your license

at present with the girls.

in parties & great plain get to -

and worked with all the drum

Chicago all my ~~recollections~~ ^{recollections} are common
and washed. Then of course the

Comments that there are about 10
thousands all by themselves and worked.

Remember that time we went to

Bobbi, has
 It sure has
 been neat having
 you in geometry this
 year. Can you believe that
 we'll be upper class women next
 year.
 Good luck.
 Judy Nelson

Bobbi -
 I am really looking forward
 to the next two years in M.C.H.S.
 with you and all the other juniors.
 It sure has been fun this year
 for both of us I think. This
 hasn't made much sense but
 I think you know what I'm talking
 about.

Lots of luck
 Dick

Dear Bobbi - Well another
 year gone by and all that
 mush -- haven't we all had
 a ball this year? (you
 don't have to answer that)
 This really looking forward to
 "beloved summer" to quite die. I
 think it ought to be a lot of fun
 we've just got to get together more.
 you never did tell me how that
 problem I could solve. You won't it)
 know I think you're just a
 bother to tell you that I don't
 anyway I know you'll get all the wonderful
 things you want and you sure deserve them!
 Love ya Julie
 (next page)

These little friends...
 Boy would really had some
 fun this year + also some
 hard time (as you know)
 there are so many things
 to remember such as that
 "hay-ride + those blood
 sausage". The homecoming
 dance + decorating
 for the Xmas dance,
 Council, and long
 phone calls.

Dear
Bobbi,
To one of the
nicest, cutest, and
sweetest soph. girls!
Good luck in everything
you ever do. Best of everything,
Jan '60

Dear Bobbi,
Another year has
gone by and I can't say
that I am any smarter
than last year. I really
was fun knowing you
this year. I'll never
forget all the fun and
problems we had with
our S. mem. Best of luck
always to a girl with a
terrific personality.
Love
Babs

Bobbi-
This has really been
a great year & I surely
hope you have 2 more
good ones. I know you
will, because you're a great
gal with a tremendous
personality. Best of luck
Bob

Allo,
The fateful greeting is
getting old but ... our age
is showing too you know - Juniors now!

As usual I've had tons of fun this year
knowing you and having you for
such a terrific friend. Our talks
did get lengthy but it seems
there's always something to
discuss. Even though our crowd
may be dwindling I'll guess we'll
just have to stick together. Now
that you have your beloved
licence & imagine your going
to get sick of me - as I have quit
a while yet. Best of luck in
everything Bobbi as you
sure deserve it. I hope we can
continue to be such swell friends!

Love,
Kathy

Bobbi,
I want you to be a real
good girl all summer. Always
remember Mrs. Lytle and her
speech class. I & was so much
fun I nearly died laughing.
Just remember doll, nobody
is better than you because
everybody has only 48
chromosomes (biology.) See ya
next year when you're a big
upperclassman. Till then
take life easy.

Johnny
Fleck

Bobbi,
Well, we're finally
upperclassmen. Not
sure feels good.
By the way, how does
it feel to have your
licence? I only
have 156 days
till I get mine.
Best wishes in the
coming years to
a real nice girl.

Bay, we've sure had fun this year, getting up the nerve to ask those guys to that dance and all.

Our birthday party was sure fun.

I'm getting my license tomorrow, honest! I wish we could have

been with you guys more of Lake Geneva - that day sure was fun.

Well, we've really gotta have a visit this summer, knowing us we will.

Lots of luck.
May.
